II. CERTIFICATION OF SETTLEMENT CLASSES

2.1 This Court has jurisdiction over this action and the Settling Parties.

2.2 Upon review of the record, the Court finds that the proposed Settlement Classes meet the requirements of Federal Rule of Civil Procedure 23(a) and 23(b)(3):

2.2.1 The Settlement Classes, which have at least 1,000 members, are sufficiently numerous to satisfy the numerosity requirement.

2.2.2 There are sufficient legal and factual issues common to the Settlement Classes to meet the commonality requirement, including whether Defendants conspired or combined for the purpose and with the effect of fixing the price of CFG; whether Defendants agreed to implement, impose, and revise an “energy surcharge” on purchases

of CFG; whether Defendants' conduct violated the federal antitrust laws; and whether Defendants' conduct caused injury to the business or property of Plaintiffs and the members of the Settlement Classes.

2.2.3 The Settlement Classes' claims arise out of the same alleged illegal anticompetitive conduct and are based on the same legal theories and therefore satisfy the typicality requirement.

2.2.4 Plaintiffs have retained experienced counsel and do not have interests antagonistic to the class.

2.2.5 Questions of law and fact common to the Settlement Classes predominate over any individualized questions.

2.3 The Court will conditionally certify the AGC Settlement Class, the Guardian Settlement Class, the Pilkington Settlement Class, and the PPG Settlement Class. For purposes of the Settlements each of the four Settlement Classes are defined as:

All persons and entities that, from July 1, 2002 to December 31, 2006, purchased Construction Flat Glass directly from Defendants for delivery or pick-up in the United States. Excluded from the Class are Defendants, any parent, subsidiary, or affiliate of Defendants, any of Defendants' co-conspirators, and all governmental entities.

III. PRELIMINARY APPROVAL OF SETTLEMENT

3.1 This Court has jurisdiction over this action and each of the parties to the Settlement Agreements.

3.2 Upon review of the record, the Court finds that the proposed Settlement Agreements, which were arrived at by arm's-length negotiations by highly experienced counsel, fall within the range of possible approval and are hereby preliminarily approved, subject to further consideration thereof at the Final Approval Hearing provided for below. The Court preliminarily finds that the Settlements encompassed by the Settlement Agreements raise no obvious reasons to doubt their fairness and raise a reasonable basis for presuming that the Settlements and the terms of the Settlement Agreements satisfy the requirements of Federal

Rules of Civil Procedure 23(c)(2) and 23(e) and due process so that Notice of the Settlements should be given as provided in this Order.
